

Benefits of Financing

NORTH STAR LEASING | HELPING BUSINESSES GROW

North Star Leasing is a national equipment financing company committed to helping businesses grow through a creative and customized approach.

Since 1979, North Star Leasing has originated over 25,000 equipment leases and loans with a focus on small to medium-ticket transactions, ranging from \$10K to \$5MM. We have worked to serve as a reliable capital partner to over 10,000 vendors, independent businesses and manufacturers in a variety of industries across the United States.

How do we do it? By forming the right relationships to succeed and by providing exceptional customer service in a timely manner. North Star Leasing is a direct funding source, thus we take a personal upfront approach to every application.

With over 150 years of combined management experience onstaff, we know the challenges customers and vendors face everyday. Leasing equipment, however, should never be a challenge. That's why we give each of our customers the personal attention they deserve. Our up front and honest approach and fast turn around results in a higher number of application approvals.

Our overriding philosophy is simple:

We invest in the people behind the business to help them grow and realize their possible future and strive to build sustainable business across all economic cycles.
